**IN THE MATTER OF NEW CAD SYSTEM**

Josh Clarke gave an update on the possibility of a new CAD system for the Justice Center. The company will be here tomorrow to give a presentation. This system will be more efficient and we will have one program thru out the building instead of the four we currently have. If all goes well we will ask for an additional next month. There is still a possibility that the County will qualify for grant money to help cover the cost of the new system.

**IN THE MATTER OF ADJOURNMENT**

There being no further business, Toni Carter made a motion to adjourn seconded by Jason Britton. Motion carried 7 ayes.
